

## NAWT Boarding Acceptance Criteria

Please ensure your pet meets all the acceptance criteria below before proceeding to the booking enquiry form.

		CONFIRM
1.	We will need proof of up-to-date vaccinations on arrival	
2.	Your pet will need to have had preventative treatment for fleas and worms	
3.	We cannot accept pets who suffer from epilepsy	
4.	We cannot accept pets who require diabetes injections	
5.	We are unable to store or handle raw unprocessed meat therefore cannot accept pets who require this diet	
6.	Your pet is happy to be handled by our staff	
7.	We cannot accept female pets who will be in season on arrival or during their stay	
8.	Male cats (over 6 months old) must be neutered	
9.	Unfortunately, our facilities do not allow for dogs and cats to share pens if boarding both animals	
10.	During school holidays we require a minimum of 7 full days' boarding
